

Canada 150 Info Sheet

Canada 150 Promotional Materials

Each Member of Parliament has been allotted a certain amount of Canada 150 products through Heritage Canada. These items are distributed at the discretion of the individual Member.

Mr. Shipley's practice regarding distribution of government allotted Canadian flags, pins, etc. through his years as Member of Parliament has been to give priority to Legions, Schools, Organizations, and special events. If you are not sure whether your request falls under those parameters, please contact Mr. Shipley's office. Individuals and organizations can also produce their own Canada 150 materials by making use of the official Logo or purchase from a third-party supplier.
